Executive Summary

District Strategic Plan 2025

Orange County Public Schools is the eighth-largest school district in the United States and the fourth largest in Florida. The district serves more than 206,000 students at 202 schools and is one of the largest employers in Central Florida with more than 25,000 team members.

> **Vision:** To ensure every student has a promising and successful future.

> **Mission:** With the support of families and the community, we create enriching and diverse pathways to lead our students to success.

School Collection Development Plan

Acceleration West HS serves 232 students enrolled in grades 7-12. The student population's ethnicity is made of 50% Hispanic and 50% Non-Hispanic students. Additionally, we serve a diverse population made up of 10% White, 37% Black, 1% Asian, and 2% Multicultural students.

The school leadership team includes Principal George Morse, instructional coach Stephanie Mueller, instructional coach George Pluguez, and school counselor Shun Carswell.

We believe that each of our students have the courage to overcome any and all obstacles, the energy to excel beyond expectations, and the determination to do and be your best. Students have the opportunity to embark on an adventure where you will learn and define who you are and who you will be. You have the opportunity to earn a high school diploma in three years if you work hard and achieve all that is required. At Acceleration West we believe:

- All students can be successful in an academic environment.
- Thinking is a requirement and a necessity.
- Learning is a continuous, life-long process.
- A wide variety of elective and alternative educational options must be offered to meet the needs of all students.
- In a partnership with parents and the community to offer students the strongest education possible.

We have high expectations for our students, parents, faculty and staff. Success is not just a word; it is an experience. Acceleration West will provide a variety of program experiences to help our students achieve success.

School Assessment Analysis

The school analysis provides an overview of the school's assessment data for the previous two school years.

Comparison between 2021-22 and 2022-23 Testing Data
(adapted from https://www.fldoe.org/accountability/assessments/k-12-student-assessment/results/2023.stml)
In 2023, the state transitioned from Florida Standards Assessments (FSA) to Florida Assessment of Student Thinking (FAST) for English Language Arts (ELA) and Mathematics. The 2022-23 for FAST and Benchmarks for Excellent Student Thinking (B.E.S.T.) End-of-Course (EOC) assessments are based on **provisional** achievement level cuts that are linked to each assessment's respective 2021-22 reporting scale. Comparisons should not be made between the 2023 data and previous years' data.

Collection Analysis

The collection is developed for and influenced by students, their interests, academic needs and alignment to the curriculum. The data below is a snapshot of the collection based on a Titlewise Analysis from July 2023. Purchasing or weeding after that time is not reflected in this data.
